JOINT ADMINISTRATIVE MOTION TO CONSIDER CASES RELATED AND TO SCHEDULE INITIAL CASE MANAGEMENT CONFERENCE FOR AUGUST 11, 2015

Pursuant to Civil L.R. 3-12, the parties in Case Nos. 5:15-cv-02212-PSG, 5:15-cv-02213-PSG, and 5:15-cv-02546-PSG ("Proposed Related Actions") submit this joint administrative motion to consider these cases related to each other. The parties further propose, pursuant to Civil Local Rule 6-2(a), that the Case Management Conferences in all three Proposed Related Actions be scheduled for August 11, 2015.

PROCEDURAL HISTORY

All three Proposed Related Actions were recently transferred by stipulation to the United States District Court for the Northern District of California from the United States District Court for the District of Delaware, and have all been assigned to Magistrate Judge Paul Singh Grewal. The JOINT ADMINISTRATIVE MOTION TO CONSIDER CASES RELATED AND TO SCHEDULE INITIAL CASE MANAGEMENT CONFERENCE FOR AUGUST 11, 2015 CASE NO. 5:15-cv-02212-PSG

Plaintiff in all three Proposed Related Actions is MCU Clocking Solutions, Inc. ("MCU"), and all three actions involve U.S. Patent No. 6,292,045. Two of the three Proposed Related Actions, Case Nos. 5:15-cv-02213-PSG and 5:15-cv-02546-PSG, also involve U.S. Patent No. 7,296,170. The Case Management Conferences in Case Nos. 5:15-cv-02212 and 5:15-cv-02213 are currently both scheduled for June 30, 2015, whereas the Case Management Conference in Case No. 5:15-cv-02546 has not yet been scheduled.

BRIEF STATEMENT OF RELATIONSHIP BETWEEN CASES

The Proposed Related Actions meet the criteria for related cases under Civil L.R. 3-12. MCU alleges that the named Defendants in each of the actions infringe one or both asserted patents by making, using, offering for sale, selling, and/or importing microcontrollers that embody every element of at least one Claim of either or both of the asserted patents. Discovery, motion practice, and hearings, therefore, are likely to concern many of the same issues. Furthermore, the parties believe that proceeding with uncoordinated cases before separate judges would cause an unduly burdensome duplication of labor and expense. While the parties recognize that there may be separate trials in each of the three separate cases, respectively, they believe coordination of pre-trial matters will be beneficial.

Additionally, the parties believe that a single Case Management Conference for all three Proposed Related Actions would avoid a needless duplication of effort and expense by the parties, and would also serve the interests of judicial economy by allowing the Court to conduct a single Case Management Conference rather than multiple conferences.

CONCLUSION

For the reasons stated above, the parties respectfully request that the Proposed Related Actions all be deemed to be related to each other. The parties further propose that, pursuant to Civil
